

HESHAN NAWAMINA

Software Developer

ABOUT ME

I am a web developer with experience in frameworks like Laravel, Bootstrap, and React. I am interested in software development and have problem-solving skills. I am committed to improving my skills in the software development industry

WORK EXPERIENCE

○ Jun 2023- Present
Arthur C Clarke Institute for Modern Technologies
Software Developer - Intern

I had the opportunity to engage directly with clients to gather and analyze their requirements. I then utilized Figma to create prototypes, providing clients with a tangible representation of the potential solutions. Additionally, I developed modules for Management Information Systems using a combination of Laravel, Bootstrap, Ajax, and MySQL.

EDUCATION

○ Bachelor of Information Technology
University of Moratuwa
2023-Present

○ Software Developer NVQ L4
Vocational Training Center Kaluthara North
2022-2023

○ Passed GCE A/L Examination
One C pass for Combined Maths and Two S pass for Physics & Chemistry
